

VoD platform PANTAFlix and STUDIOCANAL conclude comprehensive content agreement

Munich, 1 February 2018 – PANTAFlix AG today announces a content agreement with STUDIOCANAL and thus a comprehensive extension of the streaming offering of the VoD platform PANTAFlix. As part of the cooperation, STUDIOCANAL will in the future make all new publications and a comprehensive catalog of existing content available online via PANTAFlix. The rights package includes a diverse film library, including all current blockbusters of the production company such as "Wonder", "Logan Lucky" and "Paddington 2".

The STUDIOCANAL titles will initially be available online on PANTAFlix in Germany and Austria. In addition to the German-speaking countries, the media group concentrates on the territories of France, the United Kingdom, and Australia.

"The content agreement with STUDIOCANAL will make our offering even more attractive in the future," says Stefan Langefeld, COO and member of the Management Board of PANTAFlix AG: "Our platform offers a unique sales and exploitation model. The cooperation with a further global player of the film industry once again demonstrates our success in the industry with it. It is another important milestone on the way to becoming the VoD provider with the world's most comprehensive content catalog."

With STUDIOCANAL, one of the leading film production companies in Europe and owner of the one of the largest film libraries worldwide, PANTAFlix wins another valuable partner for the rights exploitation of film productions. Just in November 2017, the company had announced a comprehensive content deal with Disney.

About PANTAFlix (VoD platform):

PANTAFlix is a cloud-based video-on-demand platform made in Germany that enables film producers and rights holders to make their productions available to a global audience in just a few clicks for the first time. Its global orientation and direct market access break up the existing structures in the film business and offer producers the best possible remuneration for their films. Meanwhile, PANTAFlix offers film fans a particularly extensive and diverse portfolio with content from a wide range of genres that is precisely geared to their interests and needs. PANTAFlix was founded in July 2016. With actor Matthias Schweighöfer, film producer Dan Maag, digital expert Stefan Langefeld and media manager Nicolas Paalzow, it has a unique management team with deep roots in the film and technology industry.
