

TECHNICAL PRODUCT MANAGER

ABOUT US

PANTAFLIX (www.pantaflix.com) is a brand-new Video on Demand (VOD) platform. Berlin based with a global reach, we're aiming to make Pantaflix the best place anywhere on the planet to watch & discover great film & TV. Built by filmmakers for film-lovers, we're growing rapidly and looking to find highly skilled and motivated people to join our international, passionate team.

JOB OVERVIEW

We are looking for a self-motivated and passionate product manager with technical expertise to join us in working on our vision of a transparent, fair and truly international film market. We want you to think big and help us build a powerful state of the art VOD platform.

RESPONSIBILITIES & GOALS

- Learn and grow with some of the best experts in the industry.
- A fast-growing product that is expanding to all relevant platforms.
- Flat hierarchies, very quick decision-making and an agile, friendly atmosphere.
- Join a great, culturally diverse team where excellence, team spirit, passion, courage, and pragmatism are highly valued.
- Be comfortable with the financial stability of a successful larger company, but enjoy the perks of cool Berlin start-up culture.

IDEAL PROFILE & QUALIFICATIONS

- 3-years+ of experience in IT project management and agile methodologies
- Scrum and Kanban experienced
- Requirement Analysis: Be able to break down and translate complex technical and business requirements into actionable, easily-understood tasks for software development
- Support a project engineering team in all aspects of ongoing agile software development to ensure timely delivery of commitments
- Strong sense for UI / UX on a multi-platform level
- Interpersonal, communication and planning skills along with critical thinking and good decision-making abilities
- Data-driven, experience and familiar with A/B testing tools
- Experience with issue-tracking and project management tools
- QA experience (Selenium Tests, App Testing)
- Preferable: Digital film, media and streaming experience

BENEFITS

- Motivated and skilled team of film-lovers/tech-lovers/brand-builders
- Modern office in the center of Berlin
- Free drinks, fruits, snacks, beer Friday's and regular team events
