Munich, August 24, 2021. PANTALEON Films, a fully owned film production subsidiary of PANTAFLIX AG (WKN: A12UPJ, ISIN: DE000A12UPJ7), and Zack Snyder's production company *The Stone Quarry Production* present: ARMY OF THIEVES. Co-produced exclusively for Netflix, the spin-off from Zack Snyder's ARMY OF THE DEAD universe will be available worldwide on the streaming service from October 29, 2021. Matthias Schweighöfer takes the lead role of safecracker Ludwig Dieter and directed the film.

ARMY OF THE DEAD already achieved records on Netflix: after just four weeks, the film had reached more than 72 million households worldwide, making it one of the ten most-watched Netflix films ever. The trailer for ARMY OF THIEVES, released at the end of July, expands the universe and already has more than 2.3 million clicks and around 75,000 likes on the Netflix YouTube channel.

ARMY OF THIEVES is a prequel to the zombie heist movie ARMY OF THE DEAD. Small-town banker Ludwig Dieter is recruited by a mysterious woman to crack safes in a legendary heist across Europe.

Besides Matthias Schweighöfer, the top-class cast includes Nathalie Emmanuel (*Game of Thrones*), Ruby O. Fee (*Polar*), Stuart Martin (*Jamestown*), and Guz Khan (*Curfew*). Producers are *The Stone Quarry* (Zack Snyder, Deborah Snyder, Wesley Coller) and PANTALEON Films (Matthias Schweighöfer, Dan Maag). The story idea is from Zack Snyder and Shay Hatten, who also wrote the screenplay for ARMY OF THIEVES. Composer legend Hans Zimmer (*The Dark Knight*, *Inception*, *Gladiator*) and co-composer Steve Mazarro (*Boss Baby*, *The Rhythm Section*) designed the soundtrack.

"We are thrilled to add a new and highly entertaining chapter to Zack Snyder's ARMY universe on Netflix with ARMY OF THIEVES. Working with one of the most creative and versatile filmmakers Zack Snyder and at the same time with music giant Hans Zimmer is a great honor for us. Just like the once again successful cooperation with our partner Netflix," says Dan Maag, PANTALEON Films Managing Director.
